# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

24th October, 1947.

Dear Sirs,

I am in receipt of your letter of the 17th instant, respecting the motorship "ELISABETH", and may say it is concluded the additional blade indicated on the rudder plan has not been fitted, as the diameter of the rudder head is not suitable for the increased area, but I shall be glad if you will confirm this.

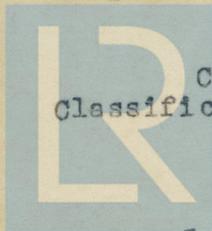

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

ROTTERDAM.
