Rotterdam.  
(Post Box 701).

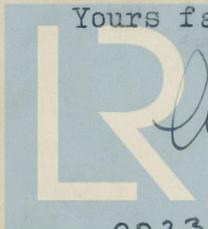

Dear Sir,

m.v. "ELISABETH"

In reply to your S letter of the 9th inst. I beg to state that the Owners does not desire to make the necessary investigation with regard to torsional vibration calculations of the main engines of this vessel.

The material of the screwshafts, mentioned in the 4th paragraph of your letter, was made pre-war, and tested by the Lloyd's Surveyors at the Steel Works.

Yours faithfully,
