Dear Sir:-

I enclose herewith verification freeboard report and signed freeboard request form for the S.S. "ILLINOIS", the Texas Steamship Co.'s Hull No. 31.

Particulars of the freeboards as now recommended for the approval of the Committee have been intimated to the Boston Surveyors, who have been requested to mark the vessel, verify the markings, and issue a provisional freeboard certificate.

This vessel is a sister to the S.S. "REAPER" but the tonnages have been measured in accordance with the revised Rules for Tonnage Measurement in Isherwood vessels, and the freeboards assigned have been slightly reduced on account of this alteration.

I am, Dear Sir,

Yours faithfully,

Alphavies

Acting Secretary to the
American Committee.

The Secretary,

London.
