Reference

Sir,

The Steamer " BROUGHTY" belonging Messrs The Dundee, Perth & London Shipping Co. Ltd., is now in dry dock here for damage and I have been asked to make certain recommendations for repairs.

This vessel does not appear as yet in the Register Book.

But I am informed that she has been built to class with the Society by Messrs The Larne Shipbuilding Co. , and has been recently completed in Glasgow.

So I presume that I may carry out the Survey in the usual way as for Classed Vessels, .

I am , Sir,

Your obedient Servant,

John H. Mackenzie

The Secretary,

London.
