The Secretary,
LONDON.

Dear Sir,

LARNE S.B. CO'S No. 80.
LAUNCHING REPORT

In forwarding the enclosed launching report, I have to state that as the Larne S.B. Co. is in liquidation, the Owners of the vessel propose to tow her to Scotland and complete her themselves.

As regards the machinery it is not at present decided whether the originally intended machinery will be completed and be fitted in the vessel, or whether other machinery will be bought.

The vessel is at present tied up at Larne. The Owners' Superintendent has promised to advise the surveyors at the port at which the vessel will be completed when the matter has been decided, and we are keeping in touch with the vessel from this port.

We are, Dear Sir,
Yours faithfully,
The Surveyors,

per (Sgd:) Wm.R.M. ASPINALL.
