Dear Sir,

Tug "ABEILLE 14"

The case of the above named tug has now received the consideration of the Committee in the light of your letters of 3rd March and 5th instant, and I am pleased to say that, in the circumstances, they will not object to the Owners' proposal to dispense with the overdue Screwshaft Survey until some time before the end of the present year.

Yours faithfully,

Clerk to the  
Classification Committee.

L. S. Sims, Esq.,  
LE HAVRE.
