Dear Sir,

s.s. "ABEILIE No.14"

I acknowledge your letter of the 3rd March and note that the Owners intend to keep the tug in service in the docks area until about the end of this year, and that postponement of the Screwshaft Survey is desired.

In order that this proposal may receive the consideration of the Committee, I shall be glad if you will state the wear and tear of the sternbush when the tug was drydocked in November last, as this information was omitted from your report.

Yours faithfully,

pro Clerk to the  
Classification Committee.

L.S. Sims, Esq.,  
LE HAVRE.
