

WOKINGHAM COPY.

CLOSURES

27th February, 1941.

Dear Sirs,

I have to acquaint you that the steamer "ENKALIS" is expected to arrive at your port very shortly and that it is proposed to transfer this ship for maintenance from the Bureau Veritas to your Register.

In this connection I enclose herewith extract from a letter received from the Agents in London, Messrs. Keller, Bryant & Co., dated the 1st instant, together with a copy of my reply of the 25th from which you will see the special arrangements which have been agreed to for dealing with this and similar cases. For your information I also enclose a copy of my letter of the 1st instant addressed to that Firm which is referred to in my subsequent letter of the 25th.

It is particularly desired that careful attention should be given to this case which may be the first of many such transfers and should any others occur you should seek instructions from the Wokingham office without delay.

I am, Dear Sirs,  
Yours faithfully,

Clerk to the  
Classification Committee.

Surveyors,

WULL.
