Your Ref. S.

15th February 1941.

Sirs,

We have to thank you for your letter of 13th instant  
regarding the "Sembilan" and "Simaloer". We are keeping Mr. Hill  
informed about these two vessels.

s.s. "Bengkalis". This vessel is also at present in  
Bureau Veritas Registry and we have received a cable from Batavia:

"Considerable part Veritas Survey already effected  
"trust unnecessary renew these repairs when now  
"transferred to Lloyds affirmatively arrange transfer."

Would you let us have your views. We have no particulars as to what  
repairs have already been effected, but we can, if you wish it,  
write to the Bureau Veritas, London, to see if they know anything.

Yours faithfully,
