RECL

ANSP

Martinus P. Jonker,

the Owners hold a survey on board of the British steel screw steamer "E D A M" 8500 Tons gross on the 3rd of October 1921 and subsequent dates whilst she was lying afloat and afterwards whilst she was placed in Wilton's drydock at this Port in order to ascertain the nature and extent of the damage alleged to have been sustained through collision with the Motor Vessel "CLENOCLE" on the Twenty Eighth of September Nineteen Hundred and Twenty One on the River The Scheldt, and with the French steel screw steamer "PORTRIEUX" on the River Maas whilst lying at Wilton's Yard on the Thirty First of October Nineteen Hundred and Twenty One, and through going adrift by heavy weather on the Sixth of November Nineteen Hundred and Twenty One on the River Maas and grounding.

For further particulars see logbook.

DAMAGE 28TH SEPTEMBER 1921.

Found.

Lower part of stem bent.  
Upper part of stem fractured  
Keel plate No. 1

Recommended.

Vessel to be placed in drydock.  
to be removed, faired and replaced  
to be renewed.  
to be removed for repairs and replaced.
