## Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

3rd July, 1946.

Dear Dr. Pickworth,

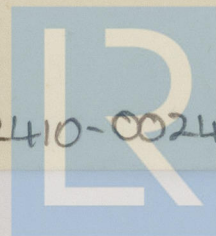

Reverting to Mr. Cook's letter of the 9th May last regarding the case of the "EMPIRE ROCK", Mr. Ventouris, as Superintendent for Messrs. S.G. Embiricos & Co., informs me that his firm have now been successful in their bid for this vessel.

I informed him that we had already approved the plan you were able to obtain from the Builders and he proposes to transfer her class from B.C. to L.R. as soon as possible.

In all probability he will be visiting the ship at Sunderland so that anything you can do to facilitate the transfer will be to the Society's advantage.

Yours sincerely,

A. Pickworth, Esq. D.Sc.  
SUNDERLAND.
