Messrs. Lloyd 's Surveyors,

GLASGOW.

Dear Sirs,

No. 600.

We duly received your letter of the 6th inst. modifying the official notation to that made in the Register relating to the bulkheads of the above vessel. We, however, have to advise you that we had already notified the Owners regarding the notation indicated in your letter of the 29th ult., and as the earlier notation appears to us to be a little more definite than that indicated in your letter under reply, we should prefer, subject to your approval, to adhere to what ~~we~~ we have already sent the Owners, namely the notation stated in your letter of the 29th ult.

Yours faithfully,

For Barclay, Curle & Co. Ltd.

W. Ewing, Director.
