2 ENCLOSURES.

27th May, 1924.

Dear Mr. Warlow,

I am in receipt of ~~your~~ letter of yesterday's date regarding the plans of Messrs. Barclay, Curle & Co's S.S. No. 600, and, as desired, have had a search made here for them. I find that we have Midship Section and Profile plans attached to the case of the sister vessel "OLYMPIER", and I presume that these are the ones required. I therefore have pleasure in forwarding them herewith.

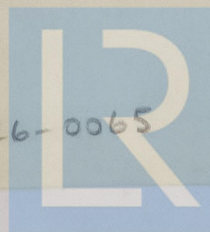

With kind regards;

Yours faithfully,

P.L. Warlow, Esq.,

G L A S G O W.
