26th May, 1924.

Dear Mr. Harwood,

The midship section and profile plans of Messrs. Barclay, Curle & Co's No. 600 (ex Messrs. Lloyd Royal Belge No. 26) were sent to London with Glasgow Freeboard Report No. 42868 on 2nd July, 1923. The plans do not appear to have been returned with the assignment letter, and as no trace of them can be found here I shall be glad if you will kindly have a search made in your office.

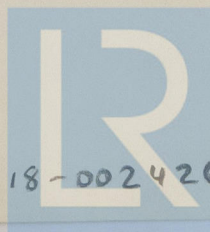

With kind regards,

Yours sincerely,

J. L. Warlow.

F. D. Harwood, Esq.,

LONDON.
