Dear Sir,

FEB 1957

I have to enclose a copy of a letter, dated the 25th instant, which has been received from Messrs. Wm. Sloan & Co., Ltd., the Owners of the Steamship "BRORA", in which they ask whether it will be necessary to open up the oil fuel bunkers for examination on the occasion of the Special Survey, which they intend to hold about the middle of next month.

We have been in communication with the Greenock Surveyors in the matter, who state that in view of the condition of the bunkers when examined by them in May, 1956, it will not be necessary for the Owners to open up and clean them out for survey.

I shall be glad, however, to receive confirmation of this by return, if possible, as the Owners are pressing for a reply.

Yours faithfully,

Secretary to the
Scottish Committee.
