The Secretary,

GLASGOW, C.2.

Dear Sir,

S.S. "BRORA"

We propose to lay off our S.S. "BRORA" for Special Survey about the middle of February.

As the ship was fitted for oil fuel in May, 1956, and the bunkers were renewed, will it be necessary to open up and clean out the oil fuel bunkers for survey? We would like to have your decision as soon as possible so that we can keep the amount of oil in the bunkers low if necessary.

Yours faithfully,

For William Sloan & Co. Ltd.,

(SGD). J. Gibson.
