Dear Sirs,

With reference to your telex of the 24th May last and previous communications, also your report No. 9484, it is noted from the Shipping Papers that the vessel arrived at La Spezia on the 3rd June.

The ship has not so far been reported to this Office as under survey and in these circumstances it will be appreciated if you will endeavour to obtain information regarding the future employment of this vessel, in view of the notation "Surveys Overdue 11,57" previously assigned.

Yours faithfully,

Clerk to the  
Classification Committee.
