"BARRA HEAD"

With reference to your letter of the 16th August, 1960 addressed to the Owners of this ship, I shall be glad to learn what arrangements have been made to carry out the Special Survey and deal with the hull conditions of class by the end of September next.

I have been informed by the Owners today that the ship has been sold to BISCO for breaking up in the Tyne area, with a delivery date of 12/15th August, 1961.

The Main Boiler Survey will become due at the end of October and it will be appreciated if you will advise the Owners accordingly.
