Oslo.

Dear Sir:

M/t "Sirefjell" and M/t "Haukefjell"

After the meeting in Oslo December last with
the directors of Messrs. Howaldtswerke, Mr. Westphal and
Mr. ^{Klein} ~~Hotz~~, we asked our Superintending Engineer together
with Mr. G. Olin of Eriksbergs Mek. Verkstads A/B,
Göteborg, to work out a survey report covering the repairs
of the "Sirefjell" at Gothenburg. This had now been done,
and we attach a copy of the report to this letter.

We also enclose new account for costs and loss of
time, revised in accordance with survey report and
amounting to

N.kr. 375.497.12

which please hand over to your principals, Messrs. Howaldts-
werke A/G, Kiel.

The case has been thoroughly discussed with our
club, the Northern Shipowners' Association, in cooperation
with whom our account has been built up.

We seriously hope that this matter can be settled
amicably with your principals and are looking forward to
hear from you as soon as their reply comes to hand.

We remain,

Yours
cl.

Yours faithfully,
Olsen & Ugelstad
