Dear Sirs,

## Motorship "BLYTH NAVIGATOR"

assn.(H)

With reference to your memorandum of the 25th June, it is noted that this vessel is still laid up at your port and that the Owners propose deferring any surveys until the trading situation is clarified.

I shall be glad if you will inform the Owners that the Committee will, of course, allow the class to remain during the lay-up period, although the Special Survey is now overdue and the machinery limit of class has expired, but should the situation change and it be desired to place the ship in service again during the year of grace, the Owners should be advised to give this Office timely notice, so that the Society's survey requirements prior to recommissioning may be indicated to them.

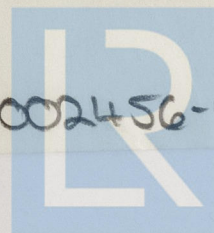

Yours faithfully,

cc Abel  
cc mollet line (UK) Ltd.

Pro Clerk to the  
Classification Committee.

The Surveyors,  
HONG KONG.
