Dear Sirs,

6 plans.

m.s. "BERNY" ex "BERGO".

I refer to previous correspondence which I have had with you and you have had with Messrs. Rederiaktiebolaget Sally concerning the proposal to lengthen this ship by six frame spaces amidships.

I am sending you under separate cover, 3 copies of a detailed drawing for the lengthening and 3 copies of the midship section.

I enclose herewith a copy of a letter which I have received from Rederiaktiebolaget Sally, Mariehamn, dated 10th April and also a copy of a letter which they have received from Messrs. Connop Bros. Ltd., dated 24th March, 1956 confirming an order placed with them for two 15 fathom lengths of $1\frac{1}{8}$ " Stud link cable together with one joining shackle for each.

I would be obliged if you would examine the plans and reply direct to Rederiaktiebolaget Sally. Would you please send me a copy of your reply to them, to keep for my records.

Yours faithfully,

Thos. C. Rolland

THOS. C. ROLLAND.
