Dear Sir,

S.S. "ARETI"

Classn. (H)

With reference to the Boiler Survey which became due at the end of November last, the Owners' representative states that this inspection will be completed by the examination of the Starboard Boiler and the adjustment of its safety valves on the vessel's arrival at Algiers about the 28th May.

I shall be glad if you will give the case the necessary attention and advise me promptly should the ship not be submitted to survey as now stated.

The Owners' Agent at Algiers is M. Robert Penna, 21, Boulevard Baudin.

Yours faithfully,

R.J. Berthe, Esq.,
ALGIERS.
