Dear Sirs,

Steamer "ARETI"

I have your cablegram of the 15th instant and in confirmation of my reply to you today I have to say that the Committee will not object to the completion of the Special Survey being further deferred until some time before the end of February next, but they desire you to impress upon the Owner that the outstanding items must definitely receive attention by that date if the vessel is to maintain her class, and that no further postponement can be granted.

Provided a satisfactory Loadline Survey for this short extension is carried out, it will be in order for you to extend the Certificate as desired.

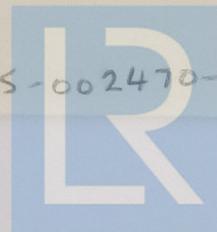

Yours faithfully,

c.c. Fbd.

Assistant Clerk to  
the Classification Committee.

The Surveyors,  
LISBON.
