Dear Sir,

Steamer "BEAULY"

Classn(S)
RNC

I have your letter of the 31st August, and in view of the comments in the Greenock Surveyors' letter, it is considered they should be requested to state why the requirements of a Special Survey (D) were not complied with at this inspection, seeing that the ship is thirty-two years old, and this was the first Special Survey (D) under the unified B.C/L.R Rules.

Yours faithfully,

Deputy Clerk to
the Classification Committee.

The Secretary,
GLASGOW.
