16th April, 1959.

Dear Sirs,

(H)

Motorship "BLYTH TRADER"

(H)
With reference to the entry in the Special Reasons List (No.167), also to the overdue Drydocking and Donkey Boiler Surveys, and port Screwshaft Survey, due at the end of next month, the Owners in London were informed in August last that provided the outstanding surveys are dealt with before the ship is again placed in commission, it will be in order for them to remain in abeyance meantime. I shall be glad if you will be guided accordingly.

The Owners now confirm that the vessel is still laid up at Hong Kong.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
HONG KONG.
