

Rotterdam, May 20th 1919.

The Secretary Lloyds Register of Shipping,  
London.

Dear Sir,

We beg to inform you that we have given our consent to the use of the second hand steel material in the Double bottom of our s.s. "Orneborg" ex "Eigen Hulp VII" built by Messrs Wilton's Engineering & Slipway Co., at Rotterdam to our account.

We remain, dear Sir,

Yours truly,

Dampskibsselskab "Dannebrog"  
of Copenhagen
