Classn. H.

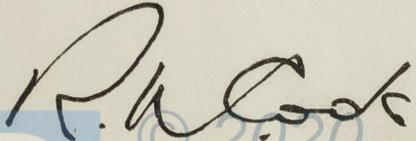

Dear Sir(s), S.S. "ARENA"

With reference to the classification of the above-named vessel in the Society's Register Book, I am directed to remind you that a Special Survey as prescribed in the Society's Rules will become due at the end of February next, and I shall be obliged if you will kindly state, for the information of the Committee, what arrangements will best suit your convenience to have the necessary inspection held.

Yours faithfully,

Messrs. Navicox, S.A.,
P.O. Box 29,
LUGANO.

P.S. I take this opportunity to point out that the Boiler Survey becomes due at the end of March, when the weld repairs to the corroded centre circumferential rivetted seam of the port boiler require to be specially examined.

Clerk to the
Classification Committee.
