Dear Mr. Warlow,

The Provisional Certificate of class for the "BRITISH POWER", as referred to in your letter of yesterday's date, has been issued this morning, and we now await the receipt of the First Entry Reports in due course.

Perhaps you will kindly arrange for these documents to be advised with a little note giving the Builders' formal consent to the certificates being handed direct to the Owners, in which case we propose issuing photographic copies to you, as in the case of the "BRITISH TRIUMPH".

With kindest regards,

Yours sincerely,

P. L. Warlow, Esq.,

GLASGOW.
