My dear Davies,

Many thanks for your prompt reply to my letter regarding Stewarts Davits.

I ^{have shown} ~~showed~~ it to Mr. Mayne, and we are now writing to Manchester.

The Office copies, referred to by you are available, but as they refer to two or three different vessels and a set has been received for the vessel in question, I think you will agree with me that it is only right that the plans used by the Surveyors supervising the construction of the davits should be filed for record purposes.

Again thanking you and with kind regards,

Yours sincerely,

S.R.Davies, Esq.,

NEWCASTLE.
