In reply to the classing letter of the 21st instant, respecting the Steamer "BADARPUR" Report No., 75707, I beg to advise you that the spacing of the rivets on each side of the transverse Nos., 3 & 4, also the rivetting of the butts of the keel plates are as approved. It is regretted this was not made quite clear in my report.

I am, Dear Sir,

Yoursfaithfully.

J. MacDonald

The Secretary.
