Vessel's Name :

Classification Surveys of Refrigerating Plants  
of Blue Funnel Line Ships.

We thank you for your letter dated 8th February and have noted contents.

In reply to your query regarding the "CHARON" and "GORGON" we are about to request our Superintendent Engineer at Singapore to proceed with these surveys. At the same time, the "ASPHALION", "IDOMENEUS" and "ORESTES" will also be included as all five vessels are based on Singapore. We regret we are unable to state when these surveys will take place, but they will be as soon as opportunity permits.

With regard to the "AJAX" which is engaged on the FAR EAST/U.S.A. trade, this ship will be submitted for classification either at New York or Hong Kong, but we are not quite in a position to say which port it will be and shall advise you as soon as possible.

We shall be grateful if you will make the necessary arrangements.
