Sirs,

S.S. "ASPHALION"

We note from your letter of the 8th instant that the Classification
Reports are under consideration, and will be submitted to the Committee
the first opportunity. If it is at all possible, we should much appreciate
this matter being treated as one of urgency, in as much as the vessel at present
is not in possession of a Passenger and Safety Certificate nor is she in Class.

We should be glad to know more precisely when we are likely to hear from
that the ship has been accepted for Class.

Yours truly,

ALFRED HOLT & CO.
