Vessel's Name: "KOOLINDA" "KYBRA" "GASCOYNE"⁽⁸⁾Report No.2979 - "KOOLINDA"

It would appear that I was in error in reporting the surveys held in December and January last (Report Nos.2784 and 2797) as part Special Survey. I note your remarks to the effect that the next Special Survey becomes due in 7,53 and will be guided accordingly.

Report No.2892 "KYBRA"

In answer to your letter of 2nd September 1952, I have to advise that new bodies and covers have now been fitted to the After Circulating Pump Body (water end) as well as to the combined General Service and Bilge Pump.

Report No.2850 "GASCOYNE"

I have to report that I omitted to mention the Boiler Fee on the above report, and now advise that the amount is £10.10.0.

Special Survey dates.

I would be pleased if you could let me know the number of the Current Surveys on the following vessels and if possible what remains to be done in each case to complete the surveys so that I can check the survey Sheets in my office.

The vessels are:- "KOOLINDA" "KYBRA" "DORRIGO" "DULVERTON"
"CARNARVON" "GASCOYNE" "MINILYA" "BEN DEANG" "COMNILES" "KABBARLI"
