Sir,

In reply to your letter of the 7th instant in regard to Greenock Report No. 19047 on the Steamer "ROMNEY" I beg to acquaint you that the Surveyor states that the bilge suction pipes in the holds and tunnel wells are provided with strum boxes, and that pipes passing through the bunkers are protected.

I am, Sir,

Your obedient seryant,

J. L. Warlow

Secretary to the Glasgow Committee.

The Secretary,
LONDON.
