DESCRIPTION OF REFRIGERATING MACHINERY

1st April, 1935.

Dear Sir,

With reference to the Refrigerating Machinery and Appliances of the steamer "ATLANTIDA" and to the entry in the New Orleans return of vessels under survey for the week ended the 15th ultimo, I shall be glad if you will arrange for particulars of this insulation, now being fitted in this vessel, to be forwarded to this Office for record purposes.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

J. French Esq.,

NEW YORK.
