No. 116912

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The LONDON Surveyors report the vessel placed on slipway, bottom coated, keel plate No. 2 renewed on account of wastage, and set up bottom examined and continues efficient.

They also report modifications to main engine seatings to suit new machinery now installed.

It is submitted this vessel is eligible to remain as classed, with record of docking survey 5.48.
