The report of the General Examination held at Greenhithe early in December has now received the consideration of the Committee. In view of the satisfactory nature of this report postponement of the Special Survey until June, 1961 has been approved.

In the meantime a record of Drydocking 12.60 together with the notation CS 12.60 have been assigned. I have the pleasure to enclose the official Classification Certificate in respect of the machinery.

Yours faithfully,
