Dear Sirs,

(H)

M.S. "BARKENTINE"

With reference to your letter of the 6th October, I shall be glad if you will confirm that this vessel is still laid up at your port.

I would point out that the year of grace previously approved by the Committee for the completion of the Special Survey, commenced at Palermo in February 1958 and further advanced at Amsterdam in May last, will expire at the end of the present month.

You will note that the Donkey Boiler Survey also becomes due at the end of this month.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
COPENHAGEN.
