m.s. "BARKENTINE"

In reply to your letter of the 24th September we have to inform you that Messrs. A.P. Møller now state that for the time being the above-named vessel is laid up at Copenhagen. They should therefore be obliged if the Screw Shaft Survey due at the end of September, last might be postponed until the ship is again in service.

We should be pleased to be informed if this is agreeable to the Committee.

Yours faithfully,
