nements
agreed

In August 1957 the ship was laid up at Spezia, Italy.
 On 10th March, 1958 the class was qualified with the notation "Laid up - S.S. incomplete". The ship was then laid up at Piraeus pending a charter, and has since remained laid up at that port.

proposal

The Owners now state that they are negotiating for the sale of the ship to Italian buyers for breaking up, and desire a Certificate of Seaworthiness for a voyage in tow from Piraeus to Genoa.

cal
mendation

Submitted an Interim Cert. might be issued as an unclassified ~~in~~ hulls in tow, provided found satisfactory from general examination for the proposed voyage.

Towing arrangements being responsibility of Owners.

of
nittee

te

2/ steam is required for this voyage then one boiler at least (not the Port boiler on which there are subjects) must be surveyed
