Dear Sirs,

s.s. "ELETRIC"

(H)

The last drydocking date recorded is 5,57 and the Main Boiler Survey became due in May, 1958. The Screwshaft Survey becomes due at the end of August next.

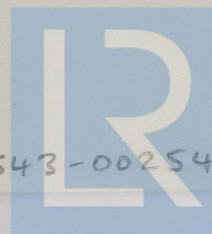

Approval has been given for the outstanding surveys to remain in abeyance whilst the ship is laid up.

It is understood from the Owners that the vessel is still laid up at Newport and I shall be glad if you will be guided accordingly.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
CARDIFF.
