7th August, 1958

Dear Sirs,

m.s. "ANNUITY"

I thank you for your letter of the 6th August. I think it well to enclose the deferred reports and attached correspondence, from which it will be seen that no letters have been received from the Owners recently.

Attention is drawn to the correspondence in 1956 regarding equipment.

It will be noted that the last drydocking date is January, 1957 and no reply has been received to the usual notice regarding the Screwshaft Survey, due at the end of the present month.

It will be appreciated if you will endeavour to persuade the Owners to write to this Office regarding the case, as referred to in your letter of the 6th August.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
LONDON.
