Dear Sirs,

Motorship "BRITISH CHARACTER"

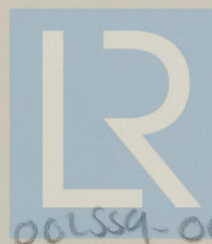

With reference to my letter of the 21st ultimo, I have to advise you that the Society's Surveyors at Bombay have reported that this ship was under survey last month when an examination was made of the stem and stem plating, etc., port and starboard sides.

It is recommended that this plating should be specially examined and dealt with as necessary by the end of November next. The Committee have continued the class subject to this matter being dealt with by that time and I shall be glad if you will make the necessary arrangements in this respect.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.
