18th January, 1932.

Dear Sir,

With reference to Glasgow report No.52059 on the motorship "ELM WORTH", I may say that it is concluded the thrust shaft and all high pressure air bottles have been examined at this time, but I shall be glad if you will request the Surveyor to confirm this.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

The Secretary,

GLASGOW.
