

19th January, 1960.

ESTRE.

51. - As recommended.

528 "GARDIGAN" - As recommended. You should advise this Office of the extent of the fractures to the midship deep tank girders. Tables 1 & 2 should also be completed as applicable, and I enclose your rpt. 8 for the necessary amendment.

The repairs to the windlass and the recommendation thereon, should have been reported on report 9. It is noted in the rpt. 8 that a condition of class has been imposed on the windlass whereas, in the rpt. 9 the windlass is stated to be "good". Your comments on this matter will be appreciated.

530 "BRITISH DUKE" - As recommended. I acknowledge receipt of your letter dated 8th January, the contents of which have been noted.
