Dear Sir,

Your letter heading  
"m.s. 'DARA' - Reported burnt and sank in  
Persian Gulf on 8.4.61."

We have received your letter Publications R.B. 75/61 of 21st April informing us that it is proposed to submit the above case to the Committee with a view to a casualty record being inserted against the ship's name in the Society's Register Book. We have no objection to a casualty record being inserted with class expunged, but we would point out that "DARA" caught fire off Dubai on 8th April, 1961 and sank on 10th April, 1961 in the position 25° 34'N 55° 29'E.

Yours faithfully,
