Dear Sirs,

Motorship "DARA".  
Messrs. Barclay Curle & Co's Yard No.711.  
Refrigerating Installation

E.

I am in receipt of your letter of the 28th ultimo enclosing a copy of one from Messrs. Keith Blackmen Ltd., regarding the refrigerating fan motors for the above vessel.

The latter Firm's confirmation that the armature and field windings of the motors shown on their drawings Nos.R.T.3075 & 6 are insulated from the cores and frames respectively with micanite has been noted and the drawings in question will accordingly be approved, subject to the remaining provisions stated in my letter of the 19th April last.

Yours faithfully,
