23rd February 1955.

Dear Sir,

I wish to acknowledge and thank you for your letter of the 2nd February, in which you kindly advise me that Mr. L. Noll, who has acted on the Society's behalf, will be leaving Sorong in April next, and recommend Mr. L. Nier and Mr. H. Algera as suitable to carry out machinery and hull surveys respectively on the Society's behalf.

It is now some years since an Exclusive Surveyor to the Society visited Sorong, and it has been thought well to arrange for Mr. R. Rodger, the Society's Senior Surveyor at Singapore, to visit Sorong at an early date. He will give himself the pleasure of calling upon you, and we shall be grateful for any assistance and advice you can give him during his visit. The Committee much appreciate your interest on their behalf.

Yours faithfully,

J.C.S.

c.c. Mr. Rodger
