Dear Sir,

In reply to your letter of the 21st October 1954, I beg to inform you that I received a communication from mr. Noll at Sorong dated 17th June 1954, in which he states that new Kromhout mainengines have been fitted in the above vessel and that reports would be forwarded on completion of trial.

As no reports have been received at this Office yet, I have approached mr. Noll with the information in your letter and requested his soonest reply.

Yours faithfully,
