Dear Sir,

s.s. "ANDREAS G"

Thank you for your letter of the 8th instant regarding the above ship.

This matter has been discussed today with Mr. Eddie Hsu the Owners representative in Japan who states that to his knowledge the vessel was purchased by the Eddie S.S. Co. whilst on voyage to Japan, the purchase was made with a view to further trading for one voyage only after which the ship was to be broken up at Keelung.

Mr. Eddie regrets that he did not call in the Society's Surveyors on the change of name, and has expressed some concern that the old Owners did not advise you of the change in purchaser. Mr. Eddie also produced the attached cable from Wheelock Marden requesting an explanation regarding the reference therein to the Surveyor in Japan.

Your advices on the foregoing would be appreciated in order that we may reply to Mr. Eddie Hsu.

I am,

Yours faithfully,

  
Principal Surveyor for Japan.

The Secretary,
